Lehigh Valley Google Earth Scavenger Hunt

We are going to use Google Earth to explore features of the Lehigh Valley. We will be on a scavenger hunt to find different places around the Lehigh Valley.

1. Locate Broughal Middle School
   1. Find the search box in Google Earth. It looks like this:

   ![Search Box]

   2. Type in "125 W Packer Bethlehem, PA"
   3. Hit the "begin search" button on the toolbar at the top of the screen. It looks like this:

   ![Begin Search]

   4. Add a placemark for Broughal, label it "Broughal Middle School".
      
      1. To add a placemark, click the placemark icon.
      
      A placemark will appear; Drag the placemark to the location (Broughal).

   2. To remove a placemark, press and hold the "Control" key on your keyboard. A pop-up menu will be displayed. Select "Delete".

3. Locate Liberty High School
   1. Type the address, "1115 Linden St Bethlehem, PA" in to the search box.

   ![Search Box]

   2. Add a placemark for Liberty HS, Label it "Liberty High School".

   3. Click on the ruler tool. Measure the distance from Broughal to Liberty. First, click on Broughal. Next, drag your mouse to make a line to Liberty HS. How far is the Broughal from Liberty? ________________________
4. **Locate the Lehigh Valley Mall.**
   1. Type "**Lehigh Valley Mall**" into the search box.

   2. **Add a placemark** for the Lehigh Valley Mall, Label it "**Lehigh Valley Mall**".
5. **Allentown-Bethlehem-Easton (ABE) Airport (Lehigh International Airport)**
   1. Locate the Allentown-Bethlehem-Easton (ABE) Airport.
   2. **Add a placemark** on the runway of the Airport.
      Label it "ABE Airport".

6. **Locate the Lehigh River**
   1. Return to Lehigh Valley Mall
   2. Go **0.6 miles west** from the Lehigh Valley Mall.
      Locate the Lehigh River.
      **Add a placemark**, Label it "Lehigh River"

Move along the map to trace the Lehigh River from Whitehall, **south** to Allentown, and then **east** to Bethlehem and then to Easton where it empties into the Delaware River (between Easton, PA and Phillipsburg, NJ).
7. Locate the Delaware River

1. **Add a placemark** on the Delaware River between Easton and Phillipsburg. Label it "Delaware River".

2. Use the **ruler tool** to measure the distance from the Lehigh River in Whitehall to the Delaware River in Easton.
