Photography Details:

Help Lehigh University celebrate Earth Day 2009 by participating in the 2nd Annual Environmental Photography Contest. Photographs will be displayed along Memorial Pathway during the Earth Day celebration on April 15, 2009 from 10 -4pm. Students, faculty and staff will judge the photographs on that day. There will be one grand prize winning photo, with runners up in each individual category. All photographs must be related to the environment. Faculty and staff members can submit photographs but will not be used in judging. Prizes will be announced at a later date.

Sponsored by the Environmental Coalition and The Environmental Initiative
